“ *Henry and Family,*

*Words can't express our heartfelt sympathy for you and your family. Reta was, as you know, one of our favorite people. She was a rare combination of quiet strength, dogged determination, and sweet contentment. She always made us smile with her kind spirit. Henry, no wife could have ever asked for more dedication and devotion. You were truly her knight in shining armor. I will always remember her. So nice to know we will all be together again sometime soon.*
