“ *I have so enjoyed getting the annual Christmas card from my Aunt Reva. We have lived apart for all of our lives. She is my Dad's only sister and I am so glad that we have been connected through the miles. My prayers go out to her children, grandchildren, my dad, Jerry, and her remaining extended family. I have been praying for all of you.*

“*It hurts my heart to hear about Reva. She is in such a good place now, but she will be so missed her. I know her best from her involvement at the HEARTS Veterans Museum. She and Leonard were such a big part of museum and she stayed involved even after her death. I know she also meant a lot to Col. Etheredge to help ease his loneliness from the loss of his own Emma. It was a comfort to see the two of them continuing to enjoy life and happiness. She was always a friendly face to look forward to when there were events at the museum. Heaven has gained another much loved lady.*
