“ *Rhonda will be missed. I haven't seen her in many, many years in fact not since 1984 the year I married and moved to Mississippi. She always had a smile and was the sweetest young lady. May God give each family member and friends peace during this time of sorrow. Until meet again.*

I haven't seen Rhonda since we all graduated from Huntsville High School together, but in my mind I can see her clearly like it was just yesterday! She was always so nice, always smiling that beautiful smile, and had a good sense of humor. From reading the comments, it is easy to see she never changed through the years. My condolences and prayers to Rodney and the rest of her family and friends. Heaven gained a sweetheart.

“ Rhonda was one of my mom's caregivers during Mom's last few years and we all loved her. Because my name is also Ronda, she was always "little Rhonda" to us. She was so gentle with Mom and always gave her sweet hugs when she came in Mom's room and again before she left. They would sit and talk together and hold hands because Rhonda understood the need that the elderly have for a physical touch now and then. The love between Rhonda and Mom and Tom and Sueann and I just flowed. We trusted her judgment always, because she was such a wise person for someone so young at that time. My sincerest condolences to the family, because I know how much she did for all of her family. She will be missed. And it's such a loss to other people in need because they will not be able to share her tender loving care. I share the family's grief.

“ *Oh sweet loving Rhonda! The day I met you back in 1999 I knew that you had such a kind soul. There were many times that you told Leslie and I about ourselves but more often you loved me and my babies. You were always there when anyone needed to vent. You will truly be missed. You made such a huge impact on my life as well as many others. Until we meet again angel*❤️

“ *Rhonda was the sweetest, gentlest person I ever met. We had good times together. Funny times! She knew the best stuff: Finding an apartment house where we could wash my clothes, doing my car at the car wash at midnight, shopping at HEB together. She was so kind! She was generous in every way. I even remember the first time I met her, when I interviewed; her kindness was exemplary. Rhonda was a born to a natural height of quality and she never varied. How tender she was to the sick. So many people love and remember her, I'm sure. But my heart is broken today, for my "secret millionaire" (as Jimmy called her). Heaven is her Home now.*
