“ *Dr. Butler was one of my Very Favorite Professors at Sam Houston. He taught me Speech, and I needed it... as soon as I opened my mouth, he knew I was from East Texas and Central Texas! He was strict, and he never missed a beat! And it worked! He later cast me in "Into the Woods". I will cherish the memories I have of him.*

“ *I came to SHSU to fill the Theatre Manager position which Dick Butler vacated by his retirement. He and I actually shared an office for a very brief period. At the time I marveled at his willingness to share all that he knew about this position he had held for so long. He was always gracious. And I appreciated his help. I never got to know Dick very well but I have talked with many former students who cared about him and appreciated what he gave them. Rest peacefully.*
