“ *Dick & I grew up together in Danbury & played basketball together for 4 years. We both helped set team & individual records during the 64-5 school year. The last time we talked was at a high school reunion in Mapleton. I'll always remember "Bumpy" & his 1955 brown Chevy either driving by me as I walked or as we rode to school together. Everybody liked Dick as he was probably one of the most popular boys in the high school. Our deepest sympathy's to the family. God bless you all & be safe.*
