“ *It was an honour and a privilege to have worked with Dick at Ruhrpumpen and I was very sorry to hear that he had lost his battle with cancer.*

I have fond memories of evenings and week-ends spent at the condo in Tulsa with Dick during my visits to Tulsa from the UK.

He was well respected and liked by all who met him.

My thoughts are with you at this difficult time.

“ *I first meet Dick when he came to manage Pacific Pumps in Huntington Park, CA. Dick taught me more above the financial aspects of the business than anyone before him or after. I also had the privilege of working with Dick again at Ruhrpumpen. We spent many a night staying at the condo in Tulsa. Dick made an impact on my career and life. My thoughts and prayers go out to Joanne and family.*

“ Joanne, I was deeply saddened to learn of Dick's passing. My thoughts and prayers go out to you and your family. During his time in Tulsa, Dick was first a great friend to me, second a mentor that taught me things I will carry with me throughout my lifetime, and last, of course, he was a great business mind that had the courage and experience to make decisions that allowed Ruhrpumpen Tulsa to grow and prosper. Based on all the stories and experiences Dick told me about, I know he was very happy and lucky to have you, your children, and grandchildren. He was very proud of his family.

“ *Joanne and family,
Penny and I fondly remember the fun times and many dinners we shared in New Jersey. Dick was one of the best business traveling partners I ever had and I always considered him one of my best friends.*

He has moved on to his final job in heaven and it's the one job didn't help him get. He was a good person and earned his place next to the angels.

I will dearly miss our phone calls reminiscing our time at Dresser.

God bless you and your family!

“ *Joanne and family,*

May God be with you and provide you with an inner peace during this time of sadness. I really appreciated the telephone opportunities I had with Dick during the past year. Like many others, I spent many years with Dick at Dresser in various locations. The opportunities were challenging, but the golf was great.

We know that he is in the hands of the Lord who will watch over and comfort him forever.

Dick was an excellent boss, good friend, golf partner, dog walker, teacher, mentor, card player, hard worker, had a big heart, natural leader and knew how to help a company make money.
