“Ricky will be greatly missed by all that knew him. He was passionate about his family and equally his friends. No one could talk to Ricky for just a few minutes because he loved to talk family and football every chance he got. He's the kind you meet and never forget. We would like to send our condolences to Ricky's family and let you know that all of you will be in our prayers. Being a die hard Texans fan I always joked with Ricky about how there was no way I would ever speak good about his Cowboys. This ones for you Ricky.... GO COWBOYS!

It is was a great shock to some of us that have work with you closely, The moment i heard the news yesterday the memories of the time we spent together at work just keep ringing in my head , How you wait to see all officer have left their duty post before you go home and how you check on everyone if they are doing ok, I see you beyond a supervisor , i see you as a man who is committed and ready to give you a word to lift your spirit. I remember some of those words you say at the shift briefing telling us to prepare for tomorrow and put our family in a comfort zone because you don't know what will happen tomorrow. You are heart that lift up the souls of others. May your soul rest in peace and i pray to God to comfort your Household. RIP Lt. James.
