“ Rick was my old boss @ American lube center. Awesome man, we started talking over a necklace of a bass he had on. Started telling me his story why he had it on and invited to go check out his boat. The next day I was hired and stayed working for them until I moved away. I'm thankful for him always being there for me, and everything he showed me. I'll never forget you Rick. You have the best place to hunt and fish now. Prayers for you and all the family! I love you, fly high Boss!! 🙏🙏❤️
