“ *My wonderful Father in law that was always happy to see me. He loved me and I loved him very much! Jeff & I would bring mowers for him to fix because I mowed over rocks. He never complained and just smiled.*

Our Dear and good friend to Jerry and I for so so many years. He helped us for 45 years and we lost our home in 1994 flood and worked so hard with Jerry to first build a barn. We lived in 28 ft. Travel trailer and the barn that had a slab , kitchen and bathroom so we could have some more space and wouldn't have to be confined in the tiny trailer for 2 years. We could have never rebuilt without Ricky. I loved him like a son and he was so respectful to me and would trust him with everything We own. I loved to hear him laugh and he always could cheer me up when I was going through my kidney cancer. I know he's looking down from Heaven and saying what a beautiful place I'm in and I'm with my dear family without any pain. Love you through eternity and will see you agin when the Good Lord calls us. 🌹🌹🌹🌹🌹🌹🌹🌹

Our dear and wonderful kind friend Ricky. He worked for us for 45 years. He was a helper for my husband Jerry and was a very hard and good worker. We lost our home in 1994 flood and without Ricky we couldn't have moved and rebuilt in Montgomery. He worked so hard with my husband Jerry in very cold and hot temperatures. We lived in 28 ft. travel trailer until we built our home. First Ricky and Jerry built a barn with a slab so we can have a kitchen. Bathroom and be able to have more space to not be confined in that small trailer. The property was a disaster but not after he helped clean it up. We would not have been able to rebuild without him. He worked on all the lawnmowers , boat and you name it. He was a very good and smart mechanic. He wouldn't hardly ever want to charge us but we made him take the money. He was so caring and so generous and always thanked us so much. We lived going fishing with Him and enjoyed so many special memories. We really are going to miss him so much. I know he's looking down and sayin I'm in the most magnificent place ever. No pain and with all of my family. He will always have a special place in our hearts. We loved him dearly. Love throughly eternity. 🌹🌹🌹🌹🌹🌹🌹🌹🌹🌹🌹🌹🙏
