I just found out that Rita passed away. Unfortunately it was last evening after her arrangements. I surly would have tried to get there to pay tribute to this wonderful woman. She was my mom's friend for decades. She and Johnnie visited my uncle Gasper and my mom, Mary Snow, for a lot of good times, family outings and just plain fun. I remember as a young girls stories she would tell me about Johnnie and places they would go and things they would see. Fly high Rita and know I think about you every hour when the clock chimes.
