

Robbie Lynn Bolander

February 10, 1965 - August 4, 2024

Robbie Lynn Bolander passed away on August 4, 2024 at the age of 59.

She was born in Houston Texas, on February 10, 1965.

Robbie was a proud graduate of Sam Houston High School and Sam Houston State University. She used her degree in Business Administration to work in procurement with both Houston METRO and Houston Independent School District.

Robbie had a large and loving extended family. She was proud of the family traditions, including family reunions, the annual Smart Family Christmas parties and a yearly Bolander Thanksgiving gathering. She loved any excuse to get together with those she cherished. She was known to host craft days with her family, but had no interest in doing the crafts! She is even rumored to have suggested the Smart family make a quilt... but somehow tricked her mother into make her squares for her.

Robbie was a huge Astros fan, likely growing from the seeds her father planted. Their childhood ballpark visits grew her into a season ticket holder. She was there the day that Enron Field (now Minute Maid Park) opened in 2000. Her Christmas list always included an Astros World Series Championship hat!

Robbie was always fighting for the forgotten and advocating for those around her. She would often spend her money on gifts for caregivers and roommates. She would send her mom to buy candy on a regular basis so that everyone who visited her room left with something sweet.

She is survived by her mother Judy Rhea Bolander, brother John Robert Bolander and wife Tammy, as well as many extended family and friends. She is joyfully reunited in death with her father, John Thomas Bolander.

A memorial service will be held Saturday, August 10, 2024 at 11:00 AM at Sam Houston Memorial Funeral Home in Huntsville. Memorial condolences to the family may be made at www.shmfh.com.
