My kids, grandkids, and I lost the most amazing husband, father, and grandfather. You were and always will be my best friend and soul mate. We were married for 41 amazing years and I love you so much. I want you to know that you fought as hard as you could with such strength and courage to beat this cancer and I know that you did not want to leave us but God knew that it was time for you to come home and rest. I know he is comforting you and you will have no pain, only peace. I want you to know how much we will all miss you. We will share the stories of your love for Harley's and the journeys that you went on across this great country. We love you with all our

hearts. Rest in peace my love until I see you again.
