“ *Funny how God does work in mysterious ways... Seems like yesterday we made a comment to paw paw and his lawn service and how he could get on that mower and drive down that road a just a little further to mow some of ours and all he did was laugh!! While I was figuring on a response like "yeah right" but not him... I'm gonna miss him when I stop and get the mail because it always seemed like he was always out there just a waving! But in my heart I know he will still be there!!! With Lots of Love & Prayers Allison, Alan, & Alston*
