“ Just one, and still my favorite, of the many clever sayings my Uncle Bob burned into my head during my youth is "I feel more I do right now than I did awhile ago". Amen Uncle Bob.

I'd like to ask him "How much better is Heaven than Vanilla Blue Bell?" just to get one more of his clever replies.

Texas Strong Aunt Pat !

I knew when I first met you you'd be my Aunt- that's how apparent it was to us that Uncle Bob finally had met his match :)

Sorry I can't be there now but will surely make it by when I'm in that part of Texas next. Hopin' that'll be real soon.

Cousin Bob - Let's get together over a Coke with no ice - I love you man :)

I believe everyone who knew Bob, Bobby, Robert E Case would know he's in a GREAT place with a smile on his face - Keep on Smilin' Uncle Bob!

“ The first time I met Bob was in 1983 around his 64 GTO at some local gathering on FM1960. I was with my old boyfriend Dieter and our friend Ray Clawson. We found out he was the original owner. Over 30 years have past and I a lot had changed, but I still counted Bob as one of my friends. He also became friends with my Husband Terry, we visited each other's homes, celebrated holidays together and making "horse trading deals". I will miss his colorful stories, his technical expertise, his warm heart and giving personality. I was blessed to have known him and his family all these years. Heaven got a gift this week and those of us left here on earth lost a wonderful friend. We hope the lord guides Pat and his family through their grief. We are here if you need anything.
