“ *Point Blank Texas won't be the same.
God only made one like "Bar-B-Q Bob".
We'll miss you & your Catfish.*

“ *I met Bob once but heard about him and his great
food from my husband Terry and my brother Joel who ate their
frequently. My husband Terry just passed also, so I guess Bob &
Terry will be cooking lots of BBQ and frying catfish in Heaven.
Sorry for your Loss. Stephanie and family*

“ *May God Bless you with strength and peace at this difficult time. We
heard about his passing through friends. We frequently went to eat
BBQ either for Lunch or Supper. I have to admit he served the best
burger around this area. My husband loved his fish plate and sense
of humor. Bob constantly teased my husband because he likes
Ketchup on his burger. Bob called it a Yankee burger!!!! Bob will be
greatly missed.*
