“ *Our Career Services staff at SHSU had the pleasure to talk with Bob by phone and it was obvious that he was a kind and generous individual. We were touched with his generous nature and feel blessed to have had the opportunity to speak with him.*

We are saddened with your loss.

“ My prayers and thoughts are with your whole family. I knew Robert when I was growing up in Osage City. He just entered my nephew Richard's life and Richard sure talked highly of him. I wish Richard and his family had the chance to meet him. I know Richard wanted the Herzog connection. I wished GOD gave them more time to connect. May God bless you and your family. I am so sorry for your loss.

“ Bob was such an interesting man. I really enjoyed talking to him when he would come to visit Jane at the Pharmacy. He was brilliant and I always learned alot from him in our short visits. But the one thing that really stands out was when he told me that Jane was the love of his life and he wouldn't know what to do without her. Jane and his children stood beside him through it all. I admire this family and I know that Bob is one happy and proud man right now. God bless you guys...

“ Keri and Kyle,

I never had the pleasure of meeting your dad, but because I know you both, I know that he must have been a wonderful man! You both are such people of strong character in the very best sense that it is an honor to know you. Your lives are the real legacy of your dad to the world. Please know that you are surrounded by love and prayer. God bless you, your mom, brother, and all who love and are loved by your dad!
