“ Know that he is with the love of his life. His kindness and love touched so many. Every time I see a rainbow I will think of your mom and the warm sun rays breaking through the clouds will make me think of your dad. You are blessed to have him part of your life...he will always be with you. My heart is with you as you continue on while he is on the greatest cruise with his love beside him.

“ For most of us who are Suzan's work family at UTMB, we knew of Robert as her "Bubba" and her stories of how he and "Suze" enjoyed their special time together. I am deeply saddened by your loss and know that god will hold and comfort you all in the days ahead.

“ I only knew him as "Bubba", my friend Suzan Allman's brother, but heard many good things about his generosity and kindness to his friends and family. My deepest sympathy and prayers to the family.

“ Your Dad was a very special person. How wonderful to have such a loving and caring father. I loved visiting with him. We had some fun times on the computer - eBay and Utube. He was always glad to see me but his face would light up when he saw Sarah. He will be missed very much. I love your family very much and my thoughts and prayers are with you.
