“ *Mr. McKinnon was a wonderful person. He was my boss and my friend and sometimes my dad.*

“ *Happy memories of my cousin, Bub, as we as children walked down the dusty road from our Big Papa and Little Mama's house on the hill to downtown Edom. Once when he returned from the service we danced at the outdoor dance floor at Tyler State Park. He made me feel special when we saw each other or visited on Facebook, email, or telephone over the years. I will miss him and his calling me "Hon" and "Darling" an expression of his love and friendship. My deepest sympathies to his loving family which was his greatest treasure.*

“ Played golf and worked with Bob. He always had a story to tell and a grin on his face even if he might not of been happy. Will never forget his firm hand shake. Praying for him and his family.

“ To Bob, who I've known as a Landman over 30 years ago. An Oil connection and a 'Stromanite' as well as the guy who told me to 'stay out of the hot tub' when it was time to start a family, as well as a good friend with sound advice. Adios my friend. Say hello to the other Landmen you find on the other side.
Shucks I never got to use those secrets I had on you!

“ Bob was a good family friend. He and my dad George Sizemore knew how to tell some tall tales and make you laugh. They just don't make them like Bob and George anymore. He will be greatly missed on this earth but soon we will see them again on the Heaven side of life.
Love you Bob,
Patti Sizemore
