

Robert "Bobby" Powers

October 28, 1946 - January 10, 2021

Robert "Bobby" Powers, 74, of New Waverly went to be with his Lord on Sunday, January 10, 2021 at his home. The family will receive friends from 5 to 7 P.M. on Wednesday, January 13. Funeral services will be held Thursday, January 14, at Sam Houston Funeral Home in Huntsville, Texas at 10:00 A.M. Pastor Roland Oliphant and friend Jimmy Hammons will officiate and a burial service will follow at Hill Cemetery in New Waverly. Bobby dedicated his life to the Lord and is now in his loving arms.

Bobby was born October 28, 1946, in Houston, Texas, to Robert Powers and Hattie Wojcik. He graduated from New Waverly High School in 1964. Bobby loved old, loud and fast cars and he loved people so it was only fitting that his chosen profession mixed the best of both worlds. In 1972, he purchased a storefront in his hometown and Powers Auto Supply was born. He operated the store for almost 50 years where he could always be found at the counter ready to help anyone who needed it. Bobby served as Assistant Chief and later became Fire Chief of the New Waverly Volunteer Fire Department. He had many stories of him and Constable Avon Bartee going on calls with just the two of them. Some scary and some funny. Bobby was a big supporter of many veteran organizations like Wounded Warriors and Folds of Honor. In addition, he was a lifelong supporter for almost all types of New Waverly fund raisers.

Our lives are better for knowing him and he will forever be missed.

His wife Renee has lost her soulmate but will see him again. He is survived by

his brother Lawrence Wojcik and wife Mary, by his children Austin, Heather, Jessica Gathright and husband Paul, Charlotte Ratliff and husband TJ, and Scott. He was known as Poppy to his grandchildren Brendan Gathright, Julia Muehlstein, Stella and Olivia Ratliff. Many other friends and family loved and will miss Bobby. He is preceded in death by his mother Hattie, father Robert Powers, and stepfather Walter Wojcik.

Due to COVID-19 we ask that everyone in attendance please wear a mask. For those who do not feel comfortable in attending, please know that Bobby would have wanted you to put you and your family's health above anything else. In lieu of flowers, memorial donations may be made to the Wounded Warrior Project, <https://support.woundedwarriorproject.org/donate>. Memorial condolences to the family may be made at www.shmfh.com.

“ Bobby was one of the first friendly faces I met when I came to New Waverly almost 20 yrs. ago now. He always had time to stop what he was doing, give a genuine handshake and thanked me for my business. I'll always think of Bobby every time I walk through the door of his store and hear that hardwood creaking under my feet. Nothing better than the feel of a small town owned business which Mr. Powers was true professional at operating. He will be truly missed by myself and the whole community!

“ I didn't know Bobby a long time but we became friends pretty quick. We shared a lot of knowledge and love for cars, as only car guys can understand. One day he asked me to work for him and we became closer for the next 3 years. I will cherish the time we had talking about our car stories and memories. We have lost a good man, a one of a kind gentleman. Bobby, you will be missed. RIP

Bobby was a part of the good ole days and by having the store he kept a part of that alive. He would always wave and speak to you too in town. He will be missed greatly by everybody. “ This guy remember me as far back as when when I was able to start going to work with my dad as a kid. And he and my dad would get to talking parts, cars, tractors name it they chatted up the storm. It's wonderful people like him who remembers who are years down the line that makes them special. He will definitely be missed but I know him and my dad are having a good time chatting in heaven now.

“ Bobby was a dear friend to me. As will many others, I shall miss him. He was always ready to help anyone who was in need. When my beloved Avon died, Bobby would listen to me and give words of comfort. Because of the recent quarantines, I have not seen Bobby is a long time, but he will always remain in my heart. Prayers and thoughts for his family.
