“ I hadn't seen Robert in years but I have some of the best memories of him! Montgomery was the town I was raised in, but the people I grew up with are what made it home. Robert was a part of that. My heart goes out to his fiancé and his family. He was truly one of a kind and will be missed.

“ My handsome blue eyed son, where do I even begin? From the moment you hit the dirt running, you have been both joy and pain!! Even when I was chasing around with wooden spoon to the special hugs you gave you were so loved. There are no words to describe the hole you have left in your Dad's and my heart. The one thing I know for sure is your & Alea's baby will have wonderful guardian angel. We love and miss you so much. Mama Tony & I want to thank everyone for the memories & prayers.

“ *Robert,
What I would give to take another trip across Texas with you, whether it was hunting in the hill country or fishing the bays of the coast. It was never really about the destination but about the ride. Every trip found a detour and was an adventure .The story was in the getting there. I love you and will always. I have a lifetime of memories. RIP brother.

Doesn't seem that long ago that Robert & Luke were running back and forth between their childhood houses to play. My heart aches with DeeDee's, and I pray God will comfort her, Tony & the family as only He can at such a tragic time. He left us way too soon.
