“ Rob and I go back many years, and I will always remember his pearly-white smile and boisterous laughter...both of which could turn a bad day or situation into a good one. I was blessed to be fortunate enough to call him a friend, and the memories of our many good times together will remain with me and bring a smile to my face forever. Rob, the ride isn't over, my friend, it's just changed locations. To Rob's family; all of you are in my thoughts and prayers during this very difficult time, and I pray you find some comfort in knowing that Rob brought happiness into so many lives.

“ I would like to take this moment to extend my condolences to Ronnie and his family. I did not have the pleasure of knowing this young man but if he was half the man his dad is then he must have been a great man. My deepest sympathy to you Ronnie in your time of grief.

“ *My thoughts and prayers are with all of Robbie's family. He was such a huge part of my highschool days. We still talked occasionally and of course like everyone has said, he always made me smile and laugh. He was such a beautiful soul, yet I'm not sure he knew just how special he was.*  
*I hope his friends words and memories will bring his family comfort in the coming days.*
