“ *To Robera's family: So very said to learn of her passing and especially after the service. She had such a special place in our family's early years as she cared for Chris and Tim. But she was also a great friend after they were grown. So many memories and good times thru 40+ years. She had such a gift with children and mine loved being in her presence. May God give you great peace in the years without her and we look forward to being together again. Much love, Jean Nichols and family.*

“ *What a privilege and blessing it was to be in the presence of such a sweet, servant heart when Ms. Roberta visited me in the UHBC office. She gave so much of herself for our Joy Ministry and it was evident that she loved what she did. Know that I am praying for you and your family. May you be reminded of all the precious moments and blessings she gave to you and so many others. - A. Winn*

“ *Ms. Roberta possessed a true servant's heart. By taking care of our daughter Morgan on Sunday Mornings, she provided a family with time to worship God. The Stubbs Family is forever grateful for her humble service, sacrifice, and especially her love for Morgan. I do not doubt that Ms. Roberta has already found her next group of Special kids to love and spoil in Heaven. Thanks, Mr. Roberta!!!*

“ *Roberta was a dear lady. She helped with the Folk Festival at the museum each spring. For several years she was a "story-teller" at the festival, entertaining the very young and all ages with her stories. She also sat with the spinners and weavers on the cabin porch doing her crocheting and small weaving projects. We will miss her.*

*Roberta was one of the favorites of our knitting group! I had just talked to Creekside and asked if a group of us knitters could find a space there that we could all knit with her. She and her smile will certainly be missed. Rest well my friend. God bless and comfort those you leave behind. Sally*
