*My younger sister ❤️. When we were teens, we would turn up Led Zeppelin as loud as we could and sing our hearts out. She played drums and I played air guitar. She was a very special person with a huge opinion and a huge heart. I already miss her so much. Life is so cruel sometimes. She was taken way too soon.*

“ *I remember as a wee little girl, she would come into the room and say "Hi Soaks!" instead of "Hi Folks", and also saying she wanted to be a stripper when she grew up ! She was a bright light in the world and will surely be missed.*

*Aunt Liz. What a great memory. I forgot about that! And didn't she want to drink, smoke and be a stripper? ❤️*
