I have fought the good fight, I have finished the race, I have kept the faith.

Now there is in store for me the crown of righteousness, which the Lord, the righteous Judge, will award to me on that day and not only to me, but also to all who have longed for his appearing.

“Pawpaw was a great man and an even great Grandpa. I love him a lot and I know he's in a better place and I know he was loved a lot. Although there are plenty of great memories to share about him, my 2 favorites are when he helped my Cub scout troop visit his old fire station, and even showed up to give us a first hand tour. But my favorite memories are the last few times I got to see him and spend time with him, and just talk with him, I'm proud of the man my Pawpaw was and I hope I can be half the man he was in life. Love you Pawpaw, and I love you Nana.

“I was a rookie firefighter in 1984 when I made my first house fire riding on Ladder 9 beside Kid Curry. I have never forgotten the things he taught me that day. It was truly a blessing for me to have known Captain Roger "Kid" Curry. Will see you again Brother. Ben Cornelius

“ *Roger (PawPaw) was as tough as nails and tried to hide how sweet he was, but he didn't do a very good job hiding it. :) He reminds me of my grandfather and was a bonus dad to many of us. I am grateful that he has been freed from his pain, but even more grateful to have met him and to be considered his family. He will be missed but remembered often with joy, and we love him forever. Until we meet again,*
