Always happy, he never complained! I will never forget he was the one who gave my great grandson's their 1st golf cart ride. I don't remember who was happier Roger or the boys ! We were blessed to get to know him bringing him meals and groceries during our ice storm here in Texas and became friends ever since. He will be sorely missed by the golf carters in 177. I am glad I gave him a hug and kiss on the cheek last time I saw him right before the Holidays! REMEMBER THE GOOD TIMES !!!!!
