

Ronald Allen Anglemyer

August 13, 1948 - March 14, 2008

Ronald Allen Anglemyer was born August 13, 1948 in Toledo, Ohio to Richard and Dorothy (Henderson) Anglemyer. He married Paula Erickson in 1990. They moved to Huntsville in the early 1990's after living in Houston. Their residence was on FM 1374 where they truly enjoyed their life together. His passion was golf and he was the most avid ball hawker in this part of Texas. His personal marker on his golf ball was a red and blue dot. If you find a ball marked in that way, say "Hello" to Ron. He was a gentleman that loved life and loved everything he did. He was very generous with his time to encourage others to enjoy life also. He was a volunteer with the Huntsville Fireworks group. He was a member of the Texas Triumph Register (TTR) and a proud owner and restorer of a beautiful jasmine yellow 1971 TR6 Triumph. He was a graduate of Dunn Whitty and a self employed machinist. Ron is survived by wife Paula of Huntsville, father Richard Anglemyer of Searcy, Arkansas, brother Donald Anglemyer of Searcy, Arkansas, nephews Tim and Jeff Anglemyer and numerous other family members and extended family. A memorial service will be held Friday March 14, 2008 at 2 PM at the Sam Houston Memorial Funeral Home Chapel with the Rev. Ellen Willett officiating. In lieu of flowers memorials may be made to M D Anderson Cancer Center or the charity of your choice. Those wishing to leave memorial condolences for the family may do so at www.shmfh.com.

“ *Also to add to that, I so remember the car when we bought it and stuck it in the storage. I remember taking it out, and spending the weekends to restore it. some of my favorite past times. Memories that will always be remembered and never forgotten.*

“ *Dad,*

I just found this. I am so sorry for any differences we ever had. I wish we could have settled those back when I talked to you last. I wish we could have talked once more. Forgiveness is forever.

“ Dear Paula, I was so sorry and surprised to read about Ron's passing. You may not remember me, but Ron and my husband, Tony, played golf at Raven Nest a few times several years ago after meeting in the group class. Tony admired and enjoyed Ron very much.

I lost Tony to cancer in December. I hope they're playing another round together in Heaven, no slices or hooks. YOU are much in my thoughts.

Sincerely,
Bett Docherty
