“ *Ron, although I did not have the opportunity to meet Ronnie, as a parent I can only imagine the pain you are feeling now. Please trust that Ronnie is in a better place and know that you have a community here on earth that care about you and your family and will support you in the days and years to come. May peace be with you and your family in this time of loss. Diana*

“ I can not begin to relate what a wonderful blessing it has been to work with Ronnie. I know him to be generous in his dealings, loving in his contacts and creative TO THE BONE. Professional, responsible and honest. You could not ask for a more dedicated fellow worthy of great trust. And that signature smile always on his face. :D

God knows how to grow 'em and He also sure knows how to pick 'em. I'm grateful for the time that I spent on projects with Ronnie, and I'm also thankful that he's not gone forever and I'll see him again. :D

He loved with all he had and did everything with great selfless passion. I'm thankful for his example to me. May the light of his spirit shine forever in our hearts till we see him again.
