“ *From another classmate of Ron and Mary in Wells, MN I want to offer my sincere condolences to you Mary and the rest of your family. My earliest memory of Ron was in our FFA class where I sat between Ron and Ken Mikolai. They had both just come over to the public school from the Catholic school. We were young and full of energy (mischeviousness)and truly had a great time. I too served in Vietnam and regret that Ron and I never shared our experiences there. I know Ron fought the good fight and will surely be missed by family and friends.*

“ *Ron, Mary, and I were in the same high school graduating class. A couple of years ago, my wife and I were in the Houston area and stopped by for a most enjoyable visit with Ron and Mary. We all went out to dinner, and the conversation, and their hospitality was wonderful. I was saddened to learn of Ron's passing, and I am grateful that, as brief as it was, we took the time to re-connect. My thoughts are with Mary and the family.*

“ My prayers continue for Mary and your family during this time of loss. During the 16 years of working with Ron, we developed a great profesional relationship. Ron always let us know what he was thinking, sometimes refreshing - sometimes not. He will sorely missed.
