“ *To Ronda Campbell's family - I am so sorry to hear about Ronda's passing. I attended WHS with Ronda and she was one year ahead of me. I was also a member of the band and she was a great person to be around - not to mention a great saxophone player! I remember her as a free spirit, always having a smile on her face, and was a good friend to all. She is in a better place now. May God be with you during this difficult time.*

“ I would like to express my deepest sympathy to the family of Ronda Campbell on the occasion of her passing. Ronda and I were members of the WHS band under the direction of Johnny Bankston in the late 70's. If my memory is correct, she was a saxophonist. I recall Ronda as being an amiable, pleasant individual. The news of her loss saddens me, but I'm sure that to realize it's for Heaven's gain will help, you, her family, bear the grief that without doubt is so heavily upon you.

I liked Ronda.
