“ I first met Ronnie in the early 1990’s when he was managing the ranch in Magnolia. It was love at first sight! A smile and a wink and those blue eyes plus that wonderful laugh and I was smitten! We had such a wonderful time and so many adventures and misadventures there’s no way I could write about all of them. My children loved him! I have been raised around horses, but he taught my children to ride and he bought me a blue roan Tennessee Walker named Blue. We went on trail rides, rode down the creeks, and boarded horses, and Ronnie would teach everybody how to take care of a horse and ride a horse. He loved having people out there, and always had a story to tell while dancing around laughing and had a beer in his hand! Everybody loved Ronnie! So did I

*“ I loved his positive attitude and encouragement he gave. If it wasn't for him giving me a chance help a broken horse, I would have never fallen in love with the last horse i owned. Thank you Ronnie and many others who welcomed me into your horse show family.*

*Ronnie was a great one. He was a great friend to me and my late husband Gary. We did so many things together, horses, the lake, horse clubs. So many memories that I will cherish for ever.*

*I just want to share a story. At th Racking world celebration after party. There was a white leg contest. Of course he forced me to enter. I had to go up on a wagon in front of a million people and show these white legs. After all that, I ended up losing last minute. Some dark haired porcelain China white doll beat me. They laughed at me for days.*

*You we're an inspiration, a loving kind soul. I will miss you. You and Gary try to stay out of trouble. Until we meet again. Love you bunches.*
