“ *Mr. robertson,  
You have always been a special person to me. I thank God that he placed you in my life and you will always have a special place in my heart. You and your family will always be a part of my life. Thanks for all you have done for me I will never forget you, may you rest in peace with our heavenly father. When our birthday comes (May 28) I will always remember you on this day that we celebrated together when we found out we were born on the same day. Mr. Robertson, you were a box of gold with a secret inside that has never been told. This box is priceless but as I see the treasure inside is precious to me today as I remember you and share with your family and friends the treasure with thee; its the treasure of friendship and love you have given me.*

*Love Always,*
