Johnny and I were so saddened to read of Roe's passing. We remember all the good times at Woodland Heights, all the hugs and smiles. And it brings a smile to me to know where Roe's FINAL resting place is. Our love, our thoughts and prayers go to your family.*

“ *To the Family of Roe, Our hearts ache for you. We had the honor of working with Roe at HS. I smile now remembering and knowing her sometimes "crusty exterior" was only a show: she was deeply loving, caring, knowlegable, funny, honest, determined...but I'm sure you know this. We hope you can take comfort in knowing that many others saw Roe in this light.*

“ One of my fondest memories of working at HealthSouth was in knowing Roe. She would usually get all the way down the hall with her med cart and realize she hadn't filled her water pitcher, so I started filling it for her. She so appreciated that small act of kindness...it was nice to be appreciated for something. I will always remember her smile and her caring heart.

“ Roe, I am truly honored to have known you these years as a friend and co-worker. You always stood up for your patients rights and really cared. It was amazing how much you loved your husband, children and grandchildren. Bob, a few months ago Roe was talking to you at the desk on the phone and after she hung up I asked her - Bob really loves you doesn't he and she did a big smile and said yes he does. I only saw her cry one time and that was over Bob being sick. So Bob you know she wants you to fight this, so do it for her and make her proud. I know she is now depending on you to take care of the kids. She would be very sad if no one is there to take care of all her kids and dogs. We will all miss her so much.
