“ *If Joy and I had known our last conversation on the phone would be our last, we wouldn't have been able to hang up the phone. We shared so much; not many will ever know how much. My heart is broke, but rejoice that she is free. She is another reason I will have to look forward to Heaven.*

I've known Joy since a child and just recently reconnected with her about 4 years ago. I feel so blessed to have had Joy in my life. She was able to tell me so much about my parents and we talked weekly. I will miss our talks and hearing her voice. ❤️
