“ *My sweet sister, Rose. From the time I was little, through my adulthood, I could always count on you for inspiration, guidance and advice. You were always there in difficult times that I was going through and sharing the good times we had as sisters. When I was trying out for the Colleens, you taught me how to play the drum and march properly. In the last few years, when I would visit, you would want me to sing "A Closer walk with Thee". Even, though I could not carry a tune in a basket, you would say it was beautiful. Only a sister's love would think that. Walk with Jesus and be in peace and know that I will miss you always. You will always be with me in spirit, if not physically. All my love always. Your younger sister, Vivian*

“To my sweet sister, Rose. Growing up with you in our household was always a lot of fun. And you helped me through a lot from childhood to adulthood. You were always there for me. The love and dedication that you and Perry showed for one another is inspiring. You both put up a valiant fight against this illness. Rest with the angels, my big sister. I will always love you. I will always miss you. With all the love in my heart. "Baby Sister" Irene

“Perry, I am one of the parishioners at St. Thomas Church. I'm also a friend of Pat's.

I have been praying for Rose and YOU for years. I just want to tell you how much I admire you making sure Rose had good care all this time. You are a super Husband for all you have done. I believe she is in Heaven because of you addressing her needs and cares and seeing she got the Eucharist pretty regularly. She is your saint in Heaven. She spent her latest years here on Earth serving out her Purgatory time! (I believe)

I am so sorry that you have lost your wife. The only good is that she is no longer suffering. She loves you Perry, and will remain with you in your good memories of the many years gone by.

In Faith, we know that those who have died remain with us in love and in the communion of saints.

In Hope, we look forward lovingly to the day when we will be united with them for all eternity.

In Memory, we recall all they meant to us.

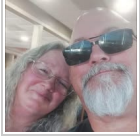

Christ became one with us in our pain and struggles. He knew physical pain when He was tortured and crucified. And He knew emotional anguish when He was betrayed and abandoned by His friends. In His pain, He taught us the ultimate form of healing -

ACCEPTANCE OF GOD'S WILL,

God Bless, Protect, Ease your pain, & Heal your sorrowful mind and heart.

Perry, I'm so sorry to hear of Rose's passing but I know she is in a better Place now. I hated to hear of the many years of suffering that she went through and don't understand why because she was such a caring person. I really enjoyed working with Rose at the Refinery and she could make it enjoyable at times too. You've been an angel to take such good care of her, Perry. Hopefully we'll meet Rose again soon.

I just now saw the sad news of Rose's passing. I would see her when I would visit Uncle Ralph and Aunt Laura. She was always so nice and always had a beautiful smile. I remember her fondly as I do all my "Port Arthur" cousins. They have my sympathy as does her husband Perry. You are all in my thoughts and prayers, Your cousin Kim Funicella - Mitchmore Wes' daughter
