

Ross Myers Estabrooks

November 22, 2009

Ross Myers Estabrooks passed away on November 22, 2009. He was born in Sackville, New Brunswick, Canada. Ross is survived by his wife Carol and son Ross Jr. (Jennifer) of Montgomery, Texas; daughters, Ann, Carol, Cheryl and son Richard in Canada; grandchildren, Eric, Kaitlyn, Cody, Rainie and Sara. Ross had a passion and appreciation for work and for life matched by few. His candle always burned at both ends and in the middle. Ross was a hydraulic engineer, and the fierceness of his intellect and drive brought him success and extraordinary respect in his field, here in the United States, as well as in Canada. Equal to his work ethic and ability was his great enjoyment of the true pleasures of life – a few good tunes, a drink, a shared laugh, and maybe a little lobster. His wife and son will receive visitors at Sam Houston Memorial Funeral Home, 20850 Eva St., Montgomery, Texas from 2 p.m. – 5 p.m. on Saturday, November 28, 2009. Friends are invited to the Estabrooks' home at 1010 Lake View Drive, Montgomery, Texas following visitation to celebrate the life of Ross Estabrooks, Sr. Services will be held in Sackville, New Brunswick, Canada at a later date. In lieu of flowers, donations may be made to American Diabetes Association, 2400 Augusta Drive, Suite 175, Houston, Texas 77057 or to the American Heart Association, 10060 Buffalo Speedway, Houston, Texas 77054 in Ross's memory. You are invited to leave his family memorial condolences on our website at www.shmfh.com

“ Carol & Family

Although I had only met Ross in recent months, I recognized him as as a very special man. From the conversations I had with him in our brief times together at Hydraulic Systems two things stood out to me. He was a man that had a very bright mind when it came to his profession. Ross looked forward to returning to his home in Canada and to spending time with Carol and their children that he loved so dearly. Ross touched many lives in a very positive way during his lifetime. He will be remembered and missed by all that knew him. May GOD provide you with peace and grace as you move forward with your lives.

“ *Ross was a wonderful person in work and as a friend. We had many laughs together. He was my great friend and I am glad I had a chance to tell him that. I WILL THINK OF HIM OFTEN MOSTLY ON A BOAT OR BY THE WATER. Ross defined integrity, friendship and I was very lucky to have the chance to know him. Carol I wish you and all your family only the very best.*

“ Ross was a great friend and I will miss him very much. I consider myself fortunate to have known him. We made a lot of good memories and I will never forget those. I loved his sense of humor, calming personality, enjoyable company, and the trust we had for each other. I wish I could be fishing with him in Canada right now. We had always planned to do that. But I will treasure the memories and the times I had with your husband, father, and grandfather. I will miss him so much. God bless you all and may your lives be enriched by his memories.
