“ Pat and Roy were my neighbors for near 40 years, I grew to love them both like my own family. Roy was always there to help anytime we needed any help with anything . He with his kidding and carrying on always made you enjoy his company .He loved God and didnt mind telling you. I can not put in words how much I appreciated he and Pat as wonderful people. When my husband had a stroke and I was taking care of him at home there were many times I would call Roy in the middle of the night to help me get him back in bed . He was always right there with a smile. as he would leave he would laugh and say "N ext time you need help CALL SOMEBODY ELSE" He was a wonderful friend and neighbor. the sand hill (that is what we called our neighborhood) will not be the same without him. He will be missed.
