“ Roy was a great person, as was his wife, Joan. They were long time friends from Beneke Church era. He was a wonderful choir director and also a comedian. Our little group (Christian Workers) was very active and did a lot for the church.

*We shared many good times through the years. He will be missed.*

“ I met Roy the first day of February 1980, Roy was the first person I met when I moved to Conroe. It was a great lasting friendship. Roy and I took many trips together on our Harley's and played many rounds of golf. We enjoyed each other's company. Roy always spoke highly of his kids, he was very proud of them. Roy knew the insurance business and helped me many times personally and my business and he always had the right answers to my questions. Roy was always available to help me or anyone, he was a very caring man.

Irma (my wife) and I had many meals with Roy and Joan, we missed Joan and we will miss Roy.

“ Celina and I are so sad to hear the passing of Roy Partin. My earliest memory is when I carried golf clubs for my Dad when he and Roy played golf at Melrose par 3 golf course. My fondest memory is when I purchased my first Harley Davidson and learned that Roy was a member at a Harley Owners Group in Willis, Celina and I joined and later got to share a weekend ride to Bandera with Roy on our Harley's, what a great weekend we had. On the way home we stopped close to Sealy at I-10 and let Roy know when we all turn left he's to stay straight and head north to Huntsville as we all live in Houston. When we turned I look to see Roy still following us, we stop again and let him know which direction he needs to go to get home. I still laugh about that, Thanks for the Ride.

“ One memory I still have was a story he told when we were probably 13-14. He had taken his wife to a movie theater and there was a group of teenage boys hanging outside the movie. Well, they were making fun of groups of people as they walked past and as Roy walked past them I guess one of the boys said something to the effect of him being an old grandpa. Roy says he stopped dead in his tracks and turned to boy and said, I may be a grandpa but I'll still whoop your little ass!! not sure why I remember this but it was one of the funniest things I'd ever heard him say. He was always there to tell you like it is. God bless him and your whole family Mrs Terry 😊
