“ *I will never forget how I met Mrs. Chick when we were doing an article on the Senior Center. She wanted me to know that her daughter was Ruby Rushing! She was so proud to tell me about you that day and every time I saw her after that. We have you and your family in our prayers.*

“ To all the Benge & Chick families, I have known most of this family my entire life. I am so truly sorry for the loss of your Mom. I have so many wonderful memories of when I was growing up & she would teach us how to paint the ceramics in her store. I especially remember her & Robert attending our wedding 36 years ago...I kept that cookware set she gave us for MANY years & hated to part with it when it was past time! She & Mr. Brod used to come to my parent's dances and always had a good time. She loved being around people & just seemed to shine whenever there was a gathering!! I pray that you keep all the wonderful memories close...for they & God's strength will help you through the painful days ahead. Your Mom was such a special lady & friend; and she will be missed by all that had known her! I am so glad that she is being reunited with Mr. Chick, Dan, Robert & Hank once again...I know she is smiling today!! Much love & God Bless...
