“ *Hi Special Friend*

I was so sorry to hear about your Grandmother. You two were so close, and Grandmothers are just special in their own way. I know you will miss her and thats ok, but I know you know as I do that she is in a better place, with love all a round.

Love you and will be praying for you and your family.

“ Grandmother and Granddad she was here along time and God Bless you both. She can go and have fun in heaven and be with all of her friends that I am so sure she has outlived most of them. We love you all.
