“ Dear Sue, Kiva and Kiley,

Words cannot express our feelings over Tio's passing. So we cannot imagine the emotions and grief that you must be feeling. We will never forget the love and life that Tio brought with him wherever he went. He was always so full of life. He lit up every room and made everyone feel welcome, Each person he talked to felt instantly at ease and comfortable around him. He made it so easy for everyone to call him "friend." Personally, I will always remember all of those Christmases years ago with him carrying around that big video camera, laughing and telling AWFUL jokes! Our family is diminished without him. But we will continue to always hold him in our thoughts and in our hearts. He will be missed, but he will never be truly gone. Have faith, stay strong, and know that you have family that will always be there to support you whenever you ask. God Bless.

“ Dear Sue,

Rudy and I were friends for a long time since our bowling days when we were teen-agers. We made some great memories together playing sports and being big fans of the movies. I am living in New Orleans and I kept in touch with Rudy by e-mail.

I am very saddened by his passing. I will pray for his soul. With your permission I would like to send you and your family Perpetual Masses for Rudy's soul. If you want the Masses said, please e-mail me your address. May the Holy Spirit comfort you and your family with His love and consolation. God bless you and your family.

In Christ,
