Timothy, I hope that you are in touch with Russ' mother and twin. I would bet that you bring them incredible comfort to them after losing a family member so young. I was Russ' teacher in Innsbruck, Austria, and he was always sweet. You are about the age now that he was when I knew him. He had a ton of energy as well. How lucky for you that your father had a twin, so that you can get to know your father's closest likeness.

“ *To the Harris family, I also just heard the news about Russ. I went to school with him in Austria and remember him very fondly. He was a fun kid with more energy than he knew what to do with. He and Mitch were quite the skiers as well, brave almost to the breaking point. I am very sorry for the loss of Russ. He meant alot to alot of people and will be missed. My thoughts and prayers are with all of you...and with Russ.*
