“ Russell Smith was perhaps the greatest man I have ever known and seeing him today he had a peaceful look on his face. To see how many people were at the service today showed me just how many hearts he touched and mine is no exception. He was not soft-spoken but he had a bigger heart than most anyone I know. It breaks my heart that I will never be able to see his always smiling face again until my day comes. I will never be the same and no one in my family will ever be the same without him. Thank you everyone for your support and your love.

“ We will really miss Russell. He was a very kind and friendly man. Point Blank's loss is HEAVEN'S gain. He and I had a special way of speaking no matter where we were...It was SHUT UP RUSSELL to which he would reply SHUT UP LuLu, then and only then would we begin to talk.

To this family I say may Our Lord Hold you all during this most trying times. May you find peace in knowing he is with Our LORD.

To my babies Eli and Kelli, I am always only a phone call away. Just in case either of you read this, here is my cell # 936-661-5218. Mrs LuLu love you both so very much.

“ My heart goes out to all of Russell's family. He was such an important part of our family and was my Dad's best friend. I remember the stories Daddy would tell us about the things he and Russell would do! Although it is a very sad day for those he left behind, I believe there is a long awaited reunion with daddy on the other side. Russell will be truly missed.
