“ *Dear Hundemer family,
I am sorry to hear of your loss. Your mother had a long and happy life and was loved by many as she honored her family and friends during her lifetime. As I have recently lost my own mother my greatest joy comes from knowing she is at peace and enjoying herself in heaven. May you be comforted by your faith and your circle of friends and family.*

“ Erin and family, I am so sorry for your loss of this wonderful lady that I heard so many joyful stories about. I am sorry I am not able to attend the funeral to share your grief and celebration of her life that you can carry forward with your own. Your family have been and will continue to be in my prayers. Please do not be overly sad, but be glad that the Lord took her home and is having her create as lovely space there for you as she created for you on earth.

“ Jim and family,

Everything I have heard about your mother was that she was such a loving and giving person who loved a good banter, a good day on the lake and like to have lots of fun.

It is always hard to say goodbye to someone whom you love so very much and because she was so wonderful to her family, she will live on in your memories. So there is no goodbye, only rest until you meet again. That is the treasure of our Lord. God bless you as you go through this time.

You all will be in my thoughts and prayers.
