“ *The yellow convertible.... how I was so envious of Ruth's yellow convertible! I wanted to be Sooty and get to vacation with your parents at Lake Choctaw and enjoy the pontoon too! Chris and Karen your mom was one of "my people", the "family" I was blessed to have in my life. Your mom and dad have always been so kind and supportive, generous and loving towards me and to say I am lucky that I had your mom on my life is an understatement. I will always think of you all as I slide the cranberry jelly into the fine bowl, ridges and all, at Thanksgiving and remember driving the boat over to get burgers and Coronas in TX. My love to you all and an extra squeeze to you Ed!*

(and Ruth made the best little rice crispy buckeyes at Christmas!!)

“ Ruth touched our lives in so many ways. To know her was to love her and you loved her the instant you met her. She was sensitive, compassionate and funny. We shared cocktails and we shared prayer. Her faith was steadfast and inspirational. Her courage through several illnesses was a tribute to her faith and her strength. Even though we are not "blood relatives" we still feel Ed and Ruth are "family". Her love for my Mother and my daughter is something I will always be profoundly grateful for. Our love and sympathy go to Ed, Chris, Karen and their families. You have lost one wonderful, warm, wife and Mother and none of our lives will be the same without her. We love you.
