“ *Aunt Dimp....where do I begin.... You were one of a kind. I will all of my lifetime cherish my memories of you. I will forever remember how you would take this country kid to a real swimming pool and how you taught me to shell peas under that big old tree in your backyard. You were special and you were precious. I love you an I hope that you and all those kiddos are enjoying being with mammaw and pawpaw and that you are wearing those beautiful angel wings with your perfect hair and that style only you had. I love you and you will forever be missed.*

Larry Hughes and Mrs. Hughes were like family to me. What a couple they were! It was an honor to know them both and to consider them as a close friend.
