“ Ryleigh was a beautiful girl both inside and outside. She lit up the room and was such a pleasure to work with and to find toys and activities for her to play with. She was always joyful and had already started growing her angel wings when we knew her. She is surely watching us all from above now.

“ I had the great pleasure of seeing Ryleigh at school for Occupational Therapy. This little girl's smile and joyful spirit always made my day. I have no doubt she was an angel here on earth as well as in heaven. She touched the hearts of everyone she met.
