“ *Mr Ray, Thomas Ray and the rest of Sally Ann's family, We are so very sorry for your loss!! I was so sad when I opened my newspaper & saw that Sally Ann had passed. This was not the way we had talked about our passing. Sally & I had so many conversations and chats about her daughters & grandkids, too...she loved them with a SPECIAL love in her heart!! I thoroughly enjoyed our lunch together with other "Country Campus" alumni. I don't think I have laughed that much since. I am only happy for her being joined in Heaven to see her dear Momma, Coretha again...as I know, that I will indeed see my dearest friend again. God Bless & Love to all.*

“ It's no exaggeration to say that all of us at NorthStar Church loved Sally! She was truly a delight to many weary souls. She had a servant's heart and served with joy. I have missed her since she moved away and now that she's moved on to her heavenly home we rejoice that she's enjoying what we can only imagine.

“ I am So Sorry to hear of the passing of Sally. I Pray for The Lord to give you comfort and Peace. I am a classmate of Sally's. We have spent many years of making memories together. The one thing I am glad of, is that Sally came to our last High School Reunion. I meet her outside of the restaurant and we walked in together. (I had to convince her to come!) I think she had the time of her life, I never saw her again until she told me, "Thank You" for making me come. I will never forget her Happy, Smiling face! May God Bless each and everyone of you! Hold your Memories close . Huntsville Hornet Class of 1980.

Oh yes Ramona, instead of a gated community we had a cattle guard crossing, a huge catfish in the back of Ray Warrens truck that covered the whole length! One day When Sally Ann was very young she went to hollering about me and Jamie “HER HIT HER ON HER HEAD” and that swimming pool which was the laboratory for POW camp.

“ I was so sad to hear of Sally's passing. We worked in the field force together many years ago when Sally worked at the Beto 2 Unit. I believe she was the first female high rider in the history of TDC. She was a pleasure to work with and a pleasure to be around. She was a great friend. RIP Sally. You touched our lives, and we will always remember you.
