Hubert Allison "Sam" Bass

Born December 31, 1929 in Waterloo, Arkansas, Hubert Allison Bass was raised by his loving parents Egbert Garland and Eula Ramsay Bass. At a young age Hubert and his family moved to Henderson, TX where he attended and graduated from Henderson High School in 1948. Afterward he moved to Austin to attend the University of Texas, but after the Korean began in 1950 he joined the U.S. Air Force and went through the pilot training program where he developed a lifelong love of aviation and flying. While stationed in Kentucky he met his wife of 60 years, Elizabeth Ann Donovan. After getting married in 1955 Hubert moved his family to Beaumont, TX where he finished his Bachelor's degree at Lamar University and began a teaching career at Forest Park High School.

Shortly after earning his Master's degree from Stephen F. Austin University in 1965 he accepted the position of Assistant Dean of Men at Sam Houston State University, where he embarked on a 30 year career as a college administrator. Hubert, or "Sam" as he was called by all of his friends, would eventually become the Director of Admissions at Sam Houston, a position he held until 1992 when he retired. During his tenure at Sam Houston State he literally admitted thousands of students from around the world and made a positive impact on their lives and the lives of countless others. Hubert enjoyed spending time with his grandchildren and great grandchildren more than

anything, and made a huge impact on all of their lives. Hubert was also a long standing and very active member of the First United Methodist Church of Huntsville and participated in the men's weekly bible study group.

On January 29, 2015 Hubert was called to heaven to be with his Lord and Savior. He is preceded in death by his parents Egbert Garland Bass and Eula Ramsay Bass. He is survived by his wife Elizabeth Ann Donovan Bass; daughter Kathy Miller and child Amy Stoermer and husband Gerald; son Keith Bass and wife Grace with children Allison Bass and Brent Bass; son Kyle Bass with children Colt Bass, Cali Bass, Casey Bass and Carly Bass; and three great grandchildren, Sydney Stoermer, Sam Stoermer and Chase Stoermer. He is also survived by three siblings Harroll Bass, Regenta Jenkins and Eula Mae Lyle, and a special cousin, Jack Ramsay.

The family will receive guests at Sam Houston Memorial Funeral Home on Sunday February 8, 2015 from 6:00pm-8:00pm and a memorial service will be held at First United Methodist Church Monday February 9th at 10:30am. In lieu of flowers the family asks that donations be made to the H.A. Sam Bass Memorial Scholarship Fund at Sam Houston State University's Office of University Advancement, P.O. “ *I will always be grateful to Mr. Bass for his encouragement and mentorship over my life during my first year at SHSU. He saw something in me, gave me advice and a chance. He placed responsibility on me and required that I follow up with him when transcripts arrived. He is one of the people I give credit for the college diploma hanging on my wall. God bless his family at this time of loss.*

I am so very sorry for the loss of your father. My dad passed away almost 11 years ago and I don't think we ever really get over the loss of our dads. “ Cathy and family, i am so sorry. My memories are many for the most wonderful boss in my career. Mr. B was amazing. He had so much wisdom and love for others. He had class like no other. I was very blessed to have had him in my life. He would visit after his retirement; always in his jumpsuit. That is how I choose to remember him. Coming into my office to visit wearing it. I loved him dearly.

What a kind, gentle, and loving man he was. Not only was he the most wonderful boss I ever had, he was an inspiration and mentor in all I was at the university. Through him I learned to be a better person and boss myself. He will be truly missed here and I know welcomed most graciously into his new home with our loving Father. My thoughts and prayers are with his family at this time. May God Bless You all and comfort you during this time of grief.

Just learned the passing of my dear friend Sam Bass. We go back to the days he worked at Forest Park in Beaumont and I was at Lamar. We developed a wonderful friendship over the years and it grew even more after he moved to Sam Houston. He was always so level headed and concerned about the people he came in contact with especially students. He had a tremendous impact on me personally and professionally. Ann you are in our prayers and thoughts along with your family. What a wonderful man.

I had the great pleasure of meeting Mr. Bass on my first day on campus in 1985. I remember thinking why is this man of prestige taking time out of his busy schedule for a nobody from Nebraska like me. He made me feel like the most important student he ever helped out and helped me secure a job before my first day was over. A truly great man. Rest in peace and know you were an incredibly bright star at SHSU.
