“ *Hello, my name is Jack Little from Ithaca, NY. I am Martin's 3rd cousin and we met through our common interest in genealogy research. Our common relative is our 3rd great grandfather, James Little who lived in Derby, CT. I am sorry to hear about the death of Martin. We exchanged many, many email and talked about speaking on the phone just recently. So sorry I will not get to meet him in person. Please do take good care of his ancestry research materials, he has a wealth of information about our families that you should be proud of.*

“ A kind wonderful Soul. Marty was always pleasant, nice and funny. A kind Spirit and I was very glad to be his classmate. Not a tall individual nor big in size, but he gave it all when we played varsity football, we knew he was not going to give up and was going to put up a fight the best way he could. I have not seen him for many years, but I truly have nothing but fond memories of him. My God Bless Him and his surviving Family Members.

“ Samuel Hughes was my Sergeant at Estelle High Security. He was also a good friend. When I was studying for my promotion board for Sergeant, he helped me study. He invited me over and we drank coffee and studied until I knew how to say the answers correctly. He then told me about his daughter. He loved to talk about her. I will miss him.
