“ What can I say about this beautiful man. I loved him as much as I loved my own father. He was my Father In Law. He always told me no matter what happened between his son and I, that I would always be his daughter. He would have given the shirt off his back to anyone whom needed it, he was the best. He loved his granddaughters with all his heart, and they love him, all I can do now is make sure they never forget how much he did love them. Thank all of you whom have called me to express their love and support. Everyone whom met Sam loved him, how could they not. Tamara I love you with all my heart honey, and you will be seeing the girls and I alot more. He loved you, you were his soul mate. Thank you for loving him back, and loving his family as well. You are a good woman, and though you are in pain as we all are, you still have us, don't you ever forget that.
I LOVE YOU SAM....HAVE A GREAT DAY.

“ Please know that our prayers are with the Moody family at this time. The death of Sam was so sudden and unexpected but the LORD is the only one that knows the reason. We are sorry that we never got the pleasure of meeting Sam and Tammy. I knew Sam Sr. and have been a friend of Ila's for many years. Family and Friends are the most important blessings we are given so cling to them at this most difficult time. GOD BLESS

“ I was extremely saddened and shocked to hear the news about Sam. He is going to be GREATLY missed by a lot of people. My heart goes out to Tammy, her family and all of Sam's family. Sam touched so many people's lives and will be deeply missed. I am forever grateful for being lucky enough to have been able to get to know Sam. He was a wonderful person. Tammy the love you and Sam shared is a very special kind of love that not every one gets to experience in their life time and no one deserved that kind of love more than you. You all are in my thoughts and prayers. May God Bless you all!!
